50 Reformation Quotes

44 - "He [Luther] took his shots at the system, yet he also lived up to all the reforms he pushed through. The people listened to him because they could see Luther laboring to bring Christianity back to the point where Christ had established it—a simple faith in God, a direct relationship with Christ, contentment with the calling God gives each individual, and living righteously in the midst of the world." —David C. Mayes, professor

To commemorate the 500th Anniversary of the Reformation, Ctk is reprinting these 50 Reformation quotes as published in Living Lutheran.
