CTK COUNCIL MEETING MINUTES FROM 11/8/21

Present in person: Pastor Jeff, Mike Coss, Katie Bach, Karen Reid. Present by Zoom- Glenn Fasnacht. Absent: Bob Coleman, Sally Morris

Glenn opened the meeting with a devotion from Chronicles.

Agenda and minutes from Oct 2021 council meeting approved.

Pastor's report: Pastor Jeff reported 558 miles. He called council's attention to CTK's employee handbook. He reported performance reviews completed for Kevin Basom and Wendy Gibbons done in cooperation with Mike Coss. He reminded council that financial advice is available from Slesman and Mitch at synod. Also the synod resource team, which includes Pastor Henderson, makes a systems report, recommendations and counseling available for a \$1000 charge. Pastor Jeff distributed 4 printed handouts which are provided as guidance from the ELCA about church finances. Pastor invited all council members and partners to his home for a gathering on Friday, Dec. 3, 2021.

Katie presented the endowment requests again, after a second meeting with the endowment ministry, and council approved all grants as requested. With encouragement from Katie, one of the ministry members, Jay Hartland, volunteered to be the ministry chairperson. Katie will send a copy of the approved grants to the treasurer so they will know how much to pay out.

There was a question whether Hilary Beatrez CPA has been paid for the financial review. Wendy will be asked to attach a copy of council signatures approving the review along with the invoice and put it in the treasurer's box so that it will be paid.

Plans are going ahead to begin indoor worship (in addition to continued outdoor worship). Karen was asked to contact Mark Massey of Stratus to arrange beginning weekly church cleaning service this month.

The remainder of the meeting was devoted to developing the 2022 Continuation and Improvement Plan. Mike Coss collected all necessary information and Pastor Jeff prepared a Word document, filling in the budget amounts which council members had determined for each category.

The December 2021 council meeting will be Dec.13, Karen will present the devotion. Meeting adjourned at 10:30 pm.

Welcome to 2022, the Year of . . . ???

Happy New Year!!! We made it through another year! And we wish each other well as we begin anew this next leg of our life journey!

What will 2022 be the year of?!?

According to the Chinese zodiac tradition, 2022 is the year of the Water Tiger!

'Known for its power, boldness and predilection for doing everything big, this year is all about going big or going home!', says author Susan Levitt.

'Expect tempers to flare, drama and excitement to reign, and crazy dreams can become reality! For some people, the water element is liberating and they should take the risk. You always wanted to be a chef? Learn to cook this year! You always wanted to be a writer? Take that writing class!'

For us in our home, 2022 is the year of healing and wellness, listening to our hearts, and taking action in the direction of our hearts' strongest callings and wildest dreams!

Foot surgeries, healthy intuitive eating, regular mindful yoga practice, and lots and lots of walking with the trees! Mixed with plenty of learning- reading books, taking classes, traveling! Developing practices of honoring and living in peaceful harmony with Mother Earth and the plant, animal, and spirit worlds!

We're tired of not listening to our hearts' deepest desires and dreams, and/or not taking action in the direction that our hearts have always been calling and leading us! We're tired of making excuses! We're tired of covering in fear and doubt, and giving up at the first sign of difficulty!

We are ready to go big in 2022, to listen intently to our hearts' deepest longings, and to risk taking action in the direction our hearts point us!

How about you?! What will 2022 be the year of for you and your home?!!

Ezekiel, the Old Testament prophet, had a year, as related in chapter 36 of the biblical book with his name. Perhaps it was a Water Tiger year too (only happens every 60 years). But whatever year it was, Ezekiel and the people of Israel had been going through some challenging times, and they had grown weary, as evidenced by their hearts hardening into stone. When Ezekiel tuned in and listened to his heart, as the story goes, the Voice of Love/God called him into a new life: 'A new heart I will give you, and a new spirit I will put within you; and I will remove from your body the heart of stone and give you a heart of flesh!'

Our hearts harden into stone when we don't listen to them, when we judge and criticize them, when we don't act because of fear or doubt or some other excuse. And 'new' hearts of flesh, tender and compassionate, emerge when we listen deeply to our hearts, when we accept and honor all that arises within our hearts, and when we take action towards what our hearts are calling and leading us into!

So, perhaps, we can call 2022 The Year of the Heart!

Perhaps, we are being invited, as was Ezekiel and the people of Israel, into something new - a new heart! A heart that we listen deeply to, honor without any judgment, and risk taking action in the direction it points! A heart that becomes more and more tender and compassionate, bold and courageous!

It won't be easy. The journey will surely present challenges of all kinds. But, together, we can do it! Together, our hearts can support one another! And together, our hearts' craziest dreams will become reality!

Breathing in and out Love from my heart to your heart, from your heart to my heart, together with all our hearts!

Love, Love, Love!
Pastor Jeff

Dear CtK Family,
 I am very grateful for your generous Christmas gift. In spite of the challenges of the past year, working at CtK has been positive overall for me, and I've felt your support throughout. I wish all of you the best in 2022, no matter what surprises lie ahead.
 Yours in Christ,

ADDENDUM TO OCTOBER 2021 COUNCIL MEETING MINUTES

On 11/17/21, I received a request to modify Oct 2021 minutes which had already been approved by council on 11/8/21. Since the request came from Glenn [Fasnacht] and Katie [Bach], here are the additional notes:

In spring of 2021, a grant of \$22K was approved to property ministry. About \$18K of that grant is spent with \$4K still available for property to spend. In fall of 2021, property ministry was granted \$15K for parking lot replacement. The \$15K grant will come from the Building Fund. Other grants for fall 2021 will come from Cooper and Lester outreach funds which totaled \$16K. (\$16K is less than the \$20.8K available to request from the outreach funds.) The treasurer made a recommendation that some of the outreach funds be moved to the helping hand fund but no action was taken on that recommendation by the endowment ministry.

If you need to replace a liner in a wastebasket at CtK, they have been moved to the storage room outside the furnace room. There is a sign in the fellowship hall pantry closet, where they had been kept, directing people to the new location.
